

CALOUNDRA CONTRACT BRIDGE CLUB

CHARITY DAY – FRIDAY 13 OCTOBER, 12:00 for a 12:30 start

Every year our club organises and supports a Charity Day to raise funds to support a local Caloundra charity. This year all funds will be raised for STEP's a local Caloundra Charity.

BRIDGE PART OF THE DAY Our Charity Day will be on Friday 13 October. It will cost two vouchers or \$12.00 in MyABF credits to play on this day. All table fees will be added to the amount raised.

RAFFLES We will be selling tickets in our combined raffle and will have several prizes, to be drawn at different times during the afternoon. These tickets will be for sale from Friday 15 September.

AUCTIONS We will also be auctioneering off several items during the afternoon, so bring along your savings and support us in supporting this local charity.

OLD VOUCHERS There will be a special collection box and any old playing vouchers. The value of these vouchers will be added to the charity donation.

HOW CAN WE ALL HELP? While the club will be providing some prizes and awards, we are also asking members if they are able to assist with donations. If you can assist with donating any of the following, then I am sure it will contribute towards our day, ensuring we have a great time (and maybe some laughs) as well as supporting our fundraising.

What are we looking for????

- Any items hanging around your home, that are not being used, and may be great to add to our auctions. In the past some people have had unused electrical items, paintings, works of Art etc.
- Any bottles of wine or alcohol that maybe auctioned on the day.
- Anything else that you feel may be of use to us on the day.

FOOD As usual, it would be appreciated if you could bring a plate of finger food, slices, cakes or interesting nibbles to be shared at afternoon tea.

Our club will be providing further goodies for all attending, including a glass of bubbles or a soft drink on arrival, chocolates, and other surprises.

STEPS *STEPS is a local Caloundra based organisation that is in George St, within a km of our club. STEPS has three main areas of support for young adults with special challenges.*

STEPS NURSERY. *For more than 15 years they have provided a place for students, volunteers and people with a disability to build their work experience, learn new skills, socialise and develop their ability to work as part of a team.*

STEPS CAFÉ ON GEORGE. *Students at STEPS Pathways College can gain the essential skills needed to take on every aspect of their new independent lives. To help their students become work-ready, they have created a fully functional training cafe, Café on George, at our Caloundra campus.*

STEPS PATHWAYS COLLEGE. *The third area they provide is the Pathway College. Their students strive for independence, their immersive learning environment equips students with the skills and confidence they need to thrive. With a comprehensive course and hands-on support, STEPS Pathways College allows students to progressively learn at their own pace.*
